When Beneteau introduced the Cyclades 43 they created an affordable cruising class with enviable performance and often a better quality fit out than her more expensive peers.

Bluebird Free presents in exceptional condition for her age and is a superb example of this very capable and extremely comfortable cruiser.

Step aboard into the large cockpit through the open transom passing between the twin helm station sporting B&G electronics. All controls lead to the cockpit and is well protected behind a dodger with clear clears.

Down the companion way a warm welcome awaits. First thing you notice is she smells new. She certainly looks it. Galley to port and dining to starboard with a full settee and dining table. Forward is the master suite with ensuite. Two more double cabins are in the aft quarters, each again with their own toilet and shower.

If you are wanting an easy to sail, large volume, comfortable, capable gulf cruiser, perhaps with offshore dreams this is a yacht that you'll want to act on fast.

Specifications

Bluebird Free
