Description:

Graceland is a 1989 Lidgard 45' designed, built and refitted by the Lidgards with the solid hardtop and extension to the cockpit with duckboard. Powered by a single Cummins 325hp she has been a dependable member of the family for 25 years. Graceland presents beautifully with contemporary features in a modern Kiwi classic that will stand the test of time. For Sale: \$285 000

First impressions are of the magnificent bow section that flares out in the signature Lidgard style. An impressive foredeck clear of obstructions has a discreet retractable stainless steel davit for easy lifting of the RIB which incidentally is easily manageable by hand with a younger crew along with the 4 stroke 2.5hp outboard. Four fender launchers with covered fenders keep things neat and secure on deck. Good walkways aft lead to the spacious cockpit that has been extended with an additional duckboard by 5 feet. It offers great space for fishing including a live bait box. Twin baitboards are concealed in large storage area clean and ready for action.

A step ladder to port takes you to the fully enclosed flybridge with a solid construction hardtop. Fresh clears keep everything light and weatherproof. The helm station and instruments preside over a large lounging area offering full length seating and sleeping when extra guests stay over. There is a central table and ample floor space for bean bags and/or yoga mats.

Downstairs in the living quarters Graceland lives up to her name. She is a strong, graceful, classic beauty filled with contemporary features that will maintain her timeless appeal well into the future.

The modern galley is complete with a new 4 burner top, grill and oven, good bench space and a wonderful flow and interaction with the cockpit and the saloon simultaneously. Refrigeration is a domestic looking 240/12volt F&P fridge.

A feature table sits 8 easily for dinner with other saloon seating equally as generous.

Two cabins forward with double bed in the forepeak, a double bed with ensuite including a separate full standing shower, and twin single bunks to starboard. All drawers and wardrobes are of solid wood finish and offer plenty of storage. There is also a single bathroom toilet to starboard.

Graceland is a fine example of the Lidgard brand. Her condition is a true credit to her current owner who has owned her for 25 years.

Name: Graceland

Make: Lidgard 45

Model: Solid flybridge

Hull type: Cedar sandwich glassed both sides
